

DigiPermit

Role User Stories and Testing Guide

Multi-User Foreign-National Visa and Permit
Compliance Monitoring System

Capstone: DS3 x IS3 x IP2
Login: <http://localhost:4200/login>
Demo password (all users): Demo@12345

Limitation: DigiPermit is a compliance-monitoring platform. It does not issue official visas or replace government immigration authorities.

Demo Accounts Quick Reference

Role	Email	Organisation
System Administrator	admin@digipermit.demo	Platform-wide
Employer HR	hr@acmeglobal.demo	Acme Global Industries
Foreign National (employee)	james.okonkwo@demo.mail	Acme Global
Foreign National (employee)	priya.sharma@demo.mail	Acme Global
University Officer	international@metrouni.demo	Metro University
Foreign National (student)	maria.santos@demo.mail	Metro University
Clinic Administrator	admin@citywellness.demo	City Wellness Clinic
Verification Officer	verify@digipermit.demo	Immigration Office (sim.)
Immigration Officer	compliance@digipermit.demo	Immigration Office (sim.)
Manager / Auditor	audit@natcompliance.demo	National Compliance

1. System Administrator

Purpose: Govern the platform - organisations, users, global data, oversight.

Negative: HR cannot access /admin/users

ID	User Story	Test Steps	Pass If
ADM-01	See platform-wide statistics	Login > Dashboard	Stats cards load
ADM-02	List organisations	Organisations	All tenants visible
ADM-03	Create users and assign roles (FR-3.1)	Users > + Create User	User created and can log in
ADM-04	View all permits	All Permits	WP-2024-ACME-001 etc. listed
ADM-05	View alerts	Alerts	Open alerts visible
ADM-06	View verification logs	Verification Logs	Audit trail listed
ADM-07	View analytics	Analytics	Data sections load
ADM-08	Manage IoT devices	IoT Devices	Device list loads

2. Employer HR Officer

Purpose: Register employees, capture work visas, monitor org compliance.

Demo: James WP-2024-ACME-001 (valid), Priya WP-2024-ACME-002 (expiring)

ID	User Story	Test Steps	Pass If
HR-01	Org compliance dashboard	Dashboard	Employee/visa stats load
HR-02	Register foreign employee	Foreign Employees > +	Employee in list
HR-03	Capture work-visa record	Permit Records > +	Permit saved with QR
HR-04	Open digital permit document	Permit Records > doc icon	QR + PDF/print works
HR-05	Verify permit manually	Verify Permit > WP-2024-ACME-001	Result: Valid
HR-06	Review renewal requests	Renewal Requests	Approve works
HR-07	View org alerts	Alerts	Acme alerts visible

3. Foreign National

Purpose: Self-service view of own permits - status, QR, notifications.

Also test *maria.santos@demo.mail* for study visa. Negative: cannot see others' data

ID	User Story	Test Steps	Pass If
FN-01	See permit summary	My Dashboard	Own permits with badges
FN-02	View all my permits	My Permits	Only own records
FN-03	Scannable QR permit document	View Permit Document	QR + PDF download
FN-04	Read notifications	Notifications	Messages load; mark read
FN-05	View renewal request history	Update Requests	Request status shown

4. University Officer

Purpose: Manage students and study visas for Metro University.

ID	User Story	Test Steps	Pass If
UNI-01	Student visa dashboard	Dashboard	Stats load
UNI-02	List foreign students	Students	Maria, Chen, Sofia listed
UNI-03	View study-visa permits	Study Visas	SV-2024-METRO-001 etc.
UNI-04	Register new student	Students > register	New student saved
UNI-05	View institution alerts	Alerts	University alerts visible

5. Clinic Administrator

Purpose: Manage patients and medical-treatment visa records.

Use MT-2024-CLINIC-001 for immigration validate test

ID	User Story	Test Steps	Pass If
CLI-01	Compliance dashboard	Dashboard	Stats load
CLI-02	List foreign nationals	Foreign Nationals	Ahmed Hassan etc.
CLI-03	View permit records	Permit Records	MT-2024-CLINIC-001 pending
CLI-04	Capture new permit	Permit Records > +	Permit saved

6. Verification Officer

Purpose: Checkpoint verification - manual, QR, RFID - printable proof.

Negative: cannot edit permits or manage users

ID	User Story	Test Steps	Pass If
VER-01	Verification hub	Verification dashboard	Manual/QR/RFID buttons
VER-02	Verify by permit number	Manual > WP-2024-ACME-001	Valid + certificate
VER-03	Scan QR code	QR Scan	Valid result
VER-04	Detect bad documents	WP-2023-ACME-003 / WP-2024-ACME-004	Expired / Revoked
VER-05	Download/print certificate	After verify > PDF/Print	PDF saves correctly
VER-06	Simulate RFID scan	RFID > RFID-ACME-001	Valid + logged
VER-07	View verification logs	Recent Logs	Scans in list

7. Immigration Officer (Simulated)

Purpose: Review pending records, validate/reject, monitor suspicious activity.

Academic simulation - not official Home Affairs

ID	User Story	Test Steps	Pass If
IMM-01	Review dashboard	Review Dashboard	Pending counts load
IMM-02	Validate pending permits	Pending > Validate MT-2024-CLINIC-001	Permit validated
IMM-03	Reject incorrect records	Pending > Reject	Status rejected
IMM-04	View suspicious activity	Suspicious Records	Anomalies listed
IMM-05	View compliance alerts	Alerts	Critical alerts listed

8. Manager / Auditor

Purpose: Read-only executive view - analytics and reports.

Negative: cannot register employees or create users

ID	User Story	Test Steps	Pass If
MGR-01	Compliance overview	Analytics	Summary cards load
MGR-02	AI executive insights	Reports > Generate Insights	Risk + recommendations
MGR-03	Raw summary for Power BI	Reports > Load Summary	JSON displays
MGR-04	Read-only access only	Check sidebar	No CRUD menus

End-to-End Test Sequence

Step	Role	Story	Proves
1	Admin	ADM-03	Controlled user provisioning
2	HR	HR-02 + HR-03	Org onboarding (UC-01)
3	Admin	ADM-03 link FN	Self-service login (FR-4.3)
4	Foreign National	FN-03	Digital permit + QR
5	Verification Officer	VER-03 + VER-05	QR scan + PDF certificate
6	Immigration Officer	IMM-02	Pending permit validation
7	Manager	MGR-02	Executive oversight
8	Admin	ADM-06	Audit trail complete

Demo Permit Numbers for Verification

Permit Number	QR Value	Expected Result
WP-2024-ACME-001	DIGIPERMIT:WP-2024-ACME-001	valid
WP-2024-ACME-002	DIGIPERMIT:WP-2024-ACME-002	expiring_soon
WP-2023-ACME-003	DIGIPERMIT:WP-2023-ACME-003	expired
WP-2024-ACME-004	DIGIPERMIT:WP-2024-ACME-004	revoked
INVALID-999	n/a	not_found

Test Results Log

Fill in during testing:

Role	Stories	Pass	Fail	Notes
System Admin	ADM-01 to 08			
Employer HR	HR-01 to 07			
Foreign National	FN-01 to 05			
University Officer	UNI-01 to 05			
Clinic Admin	CLI-01 to 04			
Verification Officer	VER-01 to 07			
Immigration Officer	IMM-01 to 05			
Manager/Auditor	MGR-01 to 04			

Known Limitations

- Foreign national submit update request: view works; submit form not in UI (API exists).
- Email/SMS notifications: in-app only.
- Auditor uses same demo account as Manager (audit@natcompliance.demo).
- Power BI: SQL views exist; dashboard built in Power BI Desktop.
